Rentao

As a former professional athlete and sports teacher, I was looking for training methods that work from the inside out instead of from the outside in. I found the answers in UNIVERSAL HEALING TAO (UHT) and became a student, assistant and senior instructor of Grand Master Mantak Chia - founder of the UHT system. I ran a Taoist health centre in the Swiss Alps for over 12 years and have been teaching all over the world for more than 30 years. In 2008/2012 I organised the first European UHT Instructor Conferences with over 250 instructors from 27 countries. As a coach, I share my health prevention concepts flowjoy© and 4-Dimensional Health (4-DH®), as well as practical exercises that enable every human being to live in flow, joy and love in 24-hour everyday life.

Voices of certified Associate Instructors

Antonis Kakoullis - Cyprus

«This course was so deep, so light, so much fun, so real and above all so many ideas and practices coming together to become one. The teacher talked from deep experience and understanding, this made it very interesting to comprehend and feel so much out of the course. A human, real, funny and trustworthy teacher. It was an eye opener.»

Guido Demeestere - Belgium

«I discovered deep seated patterns and experienced great transformation. I made contact with what creates life and saw the inner master working through myself. »

Andrea Boschetti - Italy

«Ground breaking and stimulating course that awakens you to the field of all possibilities. This course gives entirely new vision to actualize in the daily life the principles one decides to base one's life on. »

Emmanuelle PETIT - France

« Rentao est un instructeur exceptionnel et c'est la première fois que je trouve dans le Tao un tel équilibre entre rigueur- efficacité-clarté-simplicité et convivialité-communion-respect-partage-amour, entre les valeurs masculines et les valeurs féminines. Alors un grand merci à toi et à ton travail d'organisateur de nous avoir fait découvrir une perle du Tao. »

Alain CADART - France

« Stage merveilleux. Il m'a permis de faire en 7 jours la synthèse de 5 années de travail et donné plus que jamais l'envie de continuer et d'enseigner. »

Barbara BURKHARDT - Switzerland

“This course was mind-blowing - how amazing to get such a comprehensive and deep overview and insight in such a short time. Rentao has a great understanding of the subject. He is teaching and brings across the Universal Healing Tao System in a profound, systematic yet gutty way. I feel completely ready and very supported to go out and teach everything we learned.”

Jürgen WUTSCHEK - Switzerland

“The Associate Instructor Training was very eye-opening for me. Rentao really knows by experience what he is talking about and kindly guided us to our own deep experiences. As a fresh Associate Instructor I really feel a strong support from Rentao in every aspect. Again, thank you very much! »
